MEMORANDUM FOR: Director of Central Intelligence
THROUGH : Deputy Director of Central Intelligence
FROM :
Acting Chief, APEX Control Staff
SUBJECT : APEX Seminar for Government Contracting
Officers, 6 October 1980

Because we had anticipated a relatively small enrollment for the 6 October 1980 APEX Seminar for US Government procurement, financial, and program manager personnel, we had planned to show the videotape of your keynote address at the Government APEX Seminar on 5 May. Enrollment has now exceeded 400 persons, including the Army's Deputy Assistant Secretary for Acquisitions and numerous senior civilian and military officials. In view of the level of interest, and the anticipated high attendance level, you may wish to address the group personally. It may be an opportunity to reinforce the DCI's personal interest in the implementation of the APEX system. A time slot of about 20 minutes can be arranged any time between 0930 and 1500 hours to suit your schedule. Please advise whether you wish to address the group.
